<sup>\*</sup> Low tables available from stock in ZO and SC finishes only

#### PLEASE NOTE:

For seats and corner modules with worktops, the worktop comes in a matching finish to  $% \left( 1\right) =\left( 1\right) \left( 1\right) \left($ the legs. For models mounted on wheels, the colour of the wheel housing matches that of the legs; white wheel housing for white legs, black wheel housing for graphite grey legs.

#### More finishes available

To see all the available finishes for this range, go to our general shade card p. 152 or visit **eolnet.fr (under MyEOLShop)**

#### **PARTITIONS**

Structure consisting of 3 or 4 sections depending on the number of seats. Headrest at the top.

To fit the partitions, move aside the fastener below the seat, then slide the partitions between the tubular structure and the seat/backrest unit.

Partitions cannot be fitted on chairs/sofas with armrests.

### How to place your order

### 1) DECIDE ON THE TABLE SHAPE AND THE NUMBER OF PEOPLE

- E.g. oval/elliptical/U-shaped table, for 10, 12, 18 people, etc.

### 2) CHOOSE THE TYPE OF LEGS AND THE FINISH - SEE SHADE CARD BELOW

- Panel legs, metal round legs or metal tapered legs

### 3) CHOOSE YOUR POWER AND CABLE MANAGEMENT OPTIONS

Worktops with pre-drilled holes for optional cable ports: add cable ports, cable troughs and/or cable guides as required

- Add cable ports Ø 80 mm (see Power & Cable Management options, p. 98)
- Add cable troughs and/or cable guides (see table below)

Worktops with pre-cut openings for one-way top-access modules: cable troughs and cable guides are included

① Top-access modules to be ordered separately (see Power & Cable Management options, p. 98)

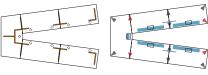

(Note: On oval and elliptical tables with panel legs, the end worktops have pre-drilled holes for optional cable ports)

4) ADD OPTIONAL MODESTY PANEL KITS IF REQUIRED (for U-shaped, V-shaped, diamond-shaped and round tables and extensions D. 70 cm)

Each kit contains the required number of modesty panels for the table, i.e. 1 per worktop.

Melamine modesty panels (thickness 19 mm) for tables with panel legs; metal modesty panels for tables with metal legs.

# Pre-drilled hole for cable port Pre-cut opening for top-access module Panel leg Metal leg (round or tapered) Possible positions for cable housings on tapered metal legs Cable trough Cable guide

### Ordering guide for cable troughs and cable guides (optional for tables with pre-drilled holes for cable ports)

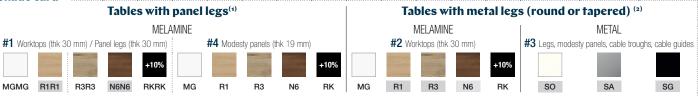

Choose a table, then refer to the guide below to check the compatible dimensions and number of cable troughs and/or cable guides. (Cable troughs and cable guides are included with tables that have pre-cut openings for top-access modules.)
