Refined & Timeless Design

Slender and sophisticated, the LINA chair in its 4-leg version embodies the subtle balance between timeless design and contemporary functionality.

Made of molded plywood, it impresses with its fluid and organic lines, offering a comfortable seating experience. Every curve and every detail reflects precise craftsmanship serving both comfort and aesthetics.

Resting on a 4-leg wooden frame, it combines stability with lightness.

Designed for a wide variety of uses, it adapts elegantly to any space.

Elegance & Functionality

Refined, aesthetic, and lightweight, the LINA chair with inverted sled base combines contemporary design with ingenuity.

It exemplifies Scandinavian style – controlled minimalism, organic lines, and absolute comfort. It integrates elegantly into meeting rooms, reception areas, or dining spaces.

Built to last, it combines a minimalist frame, an inverted sled base, and a stackable format to meet the most diverse requirements.

Comfort & Ergonomics

Molded plywood perfectly fits the body shape, ensuring optimal comfort

Practical

Stackable up to 10 chairs

Refined Design

Wooden 4-leg structure combining stability and lightness

Elegant Design
